RETIREMENT ROUNDTABLE

OCTOBER 14 | *NEW YORK*

12:30 PM — **Executive Roundtable Discussions Continued**

Evolution of QDIA: Personalization & Retirement Income
As retirement needs become more individualized, QDIA strategies continue to evolve. Participants will discuss the growing focus on personalization, retirement income solutions, participant outcomes, and how product innovation is reshaping plan design.
Discussion Leader:
Jennifer Debrosky | Senior Director, Product Manager Multi-Asset Strategies | *American Century Investments*

Evolution of QDIA: Alternatives
Alternative investments are becoming a larger part of the retirement conversation. Join peers to discuss where alternatives fit within defined contribution plans, implementation challenges, fiduciary considerations, and the outlook for broader adoption.
Discussion Leader:
Hazel Durand | Principal - Head of Defined Contribution Intermediary Distribution | *Apollo Global Management*

2:00 PM — **Open Discussion**
A chance for participants to ask targeted questions of their colleagues, brainstorm possible solutions for the day's discussions and pinpoint best practices.

2:30 PM — **Adjourn**
